Downeast Lakes Landings

About Us Conservation Visitor's Guide Support

Time for Grand Lake Stream!

If you haven't already, it's time to get involved. Do your part for Grand Lake Stream, for Maine, for now, and for the future. Please don't let an incredible opportunity slip away.

Right now - over the next few weeks - we can forever secure the last big piece of the landscape around Grand Lake Stream with a conservation easement.

This is the future of a Maine community - and special places such as Big Falls, West Grand Lake, Big Lake, Big Musquash, Lower Oxbrook Lake, and more. **(See the map!)**. There is no better opportunity for your donation to have an important impact and conserve a beautiful landscape.

It's nearly 22,000 acres and 17 miles of lakeshore. More than that, it is the key to completing a remarkable story. Our community and many people have given generously to conserve a vast landscape and hundreds of miles of shoreline. Together, we've come a long way. Thank you!

From a unanimous vote in Grand Lake Stream to a #1 national ranking as a forest conservation opportunity, this project has attracted over $14.4 million in funding. This total

includes $1.5 million in challenge grants from the Elmina B. Sewall Foundation and the Open Space Institute. Your contribution – or pledge commitment – will help ensure these funds are available. Together, we have nearly $1.4 million left to raise before December. Reply to this email if you'd like to help, or:

PLEASE, DONATE NOW!

Sneak Preview October 9th, 7:30 PM: Visionaries Features Downeast Lakes Land Trust

"Forests and Lakes – For People – Forever" summarizes our work in six words. It's also the name of a new film by **Visionaries** that will be aired by MPBN and other PBS stations around the country.

On Tuesday, October 9th at 7:30 pm in the Grand Lake Stream town building, Downeast Lakes Land Trust will present the Director's cut of the film. If you can be in Grand Lake Stream, don't miss this first look!

The Visionaries documentary series for public television is hosted by Sam Waterston (The Killing Fields, Law & Order, The Newsroom). It highlights the stories of people around the world working to make a difference in their communities. Downeast Lakes Land Trust is honored to be featured as part of Visionaries' 18th season, and is grateful to underwriters Bangor Savings Bank, Coastal Enterprises, Inc., Rich and Judy Guggenhime, Jerry and Pam Hamza, Lyme Timber, and Weatherby's.

(A previous version incorrectly listed this event for a Thursday. Tuesday Oct. 9 is the correct date. We apologize for the error.)
