Downeast Lakes Landings

About Us Conservation Visitor's Guide Support

Welcome to Downeast Lakes Landings!

We hope you enjoy these updates! Thank you for your interest in Downeast Lakes Land Trust.

Your Guide to Visiting the Downeast Lakes

The **Visitor's Guide** at **downeast lakes.org** will help you enjoy the Farm Cove Community Forest, Grand Lake Stream, and the Downeast Lakes region. Our brand new website is easy to use and packed with photos and information.

Please take a look and send your ideas and suggestions to **info@downeastlakes.org**.

You'll see our mission and commitment to the long-term economic and environmental well-being of the Downeast Lakes region haven't changed!

Trails, Roads, and Trout Streams

This fall we completed two new trails on the Farm Cove Community Forest: a short path to Dawn Marie Beach and a 1 mile hike up Wabassus Mountain. With support from the Washington County Commissioners we are investing in road improvements between Grand Lake Stream and the Machias River. **More about Recreation**

While improving access for people, we've also been helping brook trout swim freely. We recently installed bottomless arch culverts on two brook trout streams on the Wabassus Tract, restoring a natural stream channel and free movement for trout. **More about Habitat Management**

Vote for Maine's Future: Yes on 3 Nov. 2nd

On Nov. 2nd, 2010, Maine voters will have the opportunity to invest in the lands that support Maine's economy, our wildlife, and our quality of life.

The Land for Maine's Future Program has been essential to conservation around Grand Lake Stream, from Little Falls to the **Farm Cove Community Forest**. Renewed funding could help create the 21,700-acre **West Grand Lake Community Forest** and keep it undeveloped and open for public recreation while supporting the economy. Vote to invest in Maine's future!
