Downeast Lakes LAND TRUST

About Us Conservation Visitor's Guide Support

Happy Thanksgiving, and Thanks to You

All of us at Downeast Lakes Land Trust wish you a warm and wonderful Thanksgiving holiday. In the spirit of the season, we want to thank each of you for your support. Your contributions, your volunteered time, and your enthusiasm all are an essential part of our effort. Thank you for being part of this remarkable story about a community and its many friends working together for a bright future.

Giving the Joy of Grand Lake Stream

As you consider special holiday gifts for your loved ones, perhaps there are some on your list that don't need new "things". Consider instead giving them the gift of an experience to remember - like a gift certificate to a sporting camp or lodge in **Grand Lake Stream**, or a day on the water or in the woods with a local Registered Maine Guide.

If you'd like to support Downeast Lakes Land Trust this holiday season with a tax-deductible charitable **contribution**, you can make your gift in honor of a friend or family member, and share the joy of helping. Your contribution will help ensure people can enjoy the outdoors Downeast for generations to come.

Grand Lake Stream on Screen: Frontier Cafe, Brunswick, November 28th

“Forests and Lakes – For People – Forever” summarizes our work in six words. It’s also the name of a new film by Visionaries that will be aired by MPBN and other PBS stations around the country.

On Wednesday, November 28th, the film will premier at Frontier Cafe in Brunswick, Maine, with two showings, at 5 pm and 7 pm. Please join us for this first public showing! Tickets are available now from **Frontier Cafe**.

The Visionaries documentary series for public television is hosted by Sam Waterston. It highlights the stories of people around the world working to make a difference in their communities.
