# The Final Push for the Lakeville Community Forest Expansion

Working with local residents, Downeast Lakes Land Trust and The Trust For Public Land are working to expand the Downeast Lakes Community Forest by purchasing a 2,025 acre parcel in Lakeville, ME. We have nearly completed our campaign, but need your help to close the fundraising gap! **With a total project target of more than $2.6 million, we have only $50,000 left to go!** This community forest will be owned and managed by Downeast Lakes Land Trust for wildlife habitat, public recreation access, and a sustainable timber economy. For more project details, please visit https://www.tpl.org/our-work/downeast-lakes-community-forest-lakeville-expansion.

By building hiking trails and water-access campsites, protecting pristine lakeshore, promoting outdoor recreation opportunities, and improving wildlife habitat, the Lakeville Expansion of the Downeast Lakes Community Forest will provide numerous economic and environmental benefits to the region.

**Help Us Cross The Finish Line!**

To help us get to our fundraising goal, the Lakeville Committee members have secured generous donations from local businesses. These auction items are now available for bidding. Click the button below, head to Bidding For Good, and help support DLLT and TPL on this exciting conservation acquisition!

**Lakeville Online Auction**

All proceeds of this online auction will directly benefit the creation of this exciting expansion of the Community Forest. If you wish to further support this project, please consider making a donation at https://support.tpl.org/campaign/downeast-lakes-community-forest-lakeville-expansion/c301732. Thank you for your support!
